“TURNING THE OTHER CHEEK”

I hear “Cirque du Soleil” and MC Escher a lot when people comment on my pieces. So Jörg Lemke, a cast member of the show “KA”, did this “twisting walk” that is not a photography trick, but a pose he can actually do. I placed him on a spiral staircase leading to the top of the Arc de Triomphe in Paris. The result was this piece reminiscent of one of my favorite artists of all time: MC Escher. This is the third and final piece of my “Jörg Series.”
